

# Oberammergau Passion Play 2010

Dear Friends,

I invite you to travel with me to Europe in June 2010 for 14 wonderful days including the world-famous **Oberammergau Passion Play** in Bavaria, Germany! On our tour we will enjoy a cruise on the Rhine River, the Köln Cathedral, Luther's house in Wittenberg, the Neuschwanstein Castle, Mozart's home in Salzburg, medieval Rothenberg, and lodge overnight in the 12<sup>th</sup> century castle in Mittersill, Austria!

*Jenny in Oberammergau*

The **Oberammergau Passion Play** presents the story of Christ's Passion, beginning with Christ's entry into Jerusalem and ending with the Resurrection and Transfiguration. Performances last an entire day, with a break for dinner, in a comfortable enclosed theatre facing a large open-air stage. Included in all our customized tour will be two nights' accommodation in first-class hotels in the village of Oberammergau, admission to the **Passion Play**, and meals. MTS TRAVEL, as tour operator, has been privileged to offer **Oberammergau Passion Play** tours since 1960 and, like me, is committed to providing you with first-class travel arrangements and excellent service.

While the itinerary is being finalized, I invite you to reserve your opportunity to see the **Passion Play** with a \$100 "interest" deposit of \$100 per person by May 1, 2008. Estimated tour costs are \$4000 - \$4500. *Menno Travel Service* desires a \$100 per person interest deposit by May 1, 2008 to gage tour interest. When specific travel dates and itineraries are available in early summer of 2008, you will be asked to confirm your reservation by making a second deposit or cancel and receive a full refund of your \$100 per person deposit.

I hope you choose to accept this special invitation to join my tour. I welcome you to invite friends to travel with me! Check out the MTS TRAVEL Oberammergau 2010 webpage at [www.mtstravel.com/passionplay](http://www.mtstravel.com/passionplay) for information which is updated as new information becomes available.

*Weldon in Rothenberg*
