

# Bethesda's Medical/ Transportation Forms for Swan Lake Christian Winter Retreat 2010

Dear Campers and Parents,

Again, your help is needed to make this retreat experience a safe and positive one. **First of all, you are asked to complete the medical form below.** Fortunately, these forms have not been needed in the past years. However, with more accidents on the roads, these forms are needed in case a vehicle transporting your young person was involved in an accident and your son and/or daughter needed medical attention. This form will make medical information and emergency contact information available quickly. Please take some additional time to complete the Medical Form as accurately as possible. **Bring this form, along with the \$25 transportation fee, to the church office 1 week prior to the camp.**

**Also, drivers are needed to transport campers to and from camp.** In the past years, it has been increasingly difficult to find people willing to transport the campers. Please consider helping in this way and complete the Transportation Form which is located on the back side of the Medical Form

Thank you for your help!!!!
